

THURSDAY

7th/8th Grade

ART CLUB

March 7th, 2019

Thursday 2:45-4:15 pm

Hello,

Thanks for being interested in art club this school year! Art is all about expressing yourself with multiple materials and we are exploring new materials each week leading up to an Art Show in May.

We will spend THURSDAYS together creating art using materials such as paint, clay, photography and more! After the **first 30 students turn in money and permission slips** I will be capping the club. To be apart of the club, **\$50 will be paid through Skyward**. These forms and money need to be completed by Thursday, March 7th in order to participate. This club is offered to 7th and 8th graders so PLEASE turn in form to Miss Ryan and payment in Skyward.

Students CAN NOT be failing more than one class to participate in the club. Appropriate conduct is expected at all times. Disrespectful behavior towards other students during club will not be tolerated. Extracurriculars are a privilege not a requirement, especially with the equipment we will be using! After **two** issues are addressed in club, student will be let go from club with **no refund of money**.

- If you are involved with Track you need to make sure you can attend MOST of the meetings.
- If you are going out for the Spring Play you are able to join Art Club and we will alternate weeks.
- Thursday clubs need to split time equally.

Please return the following form to Miss Ryan ASAP to reserve your spot! Club starts **THURSDAY March 7th from 2:30-4:15pm**. A calendar will be given at the first meeting.

Permission Slip Art Club

It costs \$50 to be apart of this club. That money goes towards materials, t-shirt and the final art show cost. Please check your Skyward account once permission slip has been turned in.
